

# TEDDY BEARS' PICNIC 2010

If you go down to Lydekker Park on **Saturday 21 August** from 11.00am until 2.00pm you are sure of a big surprise!

Davenport House Surgery in association with Davenport House Patient Group are taking part in this fifth Teddy Bears' Picnic.

The Park will be alive with Teddy Bears and their young owners hopefully making the most of sun and the free entertainment.

There will be opportunities to take part in lots of activities and events, such as the "Healthiest Bear" competition and a best Doctor or Nurse dressing up Award.

With raffle prizes, entertaining games, colouring competition, balloon shapes, useful gifts and a birthday cake to win, there will be lots of fun for Teddy Bears and children alike.

Why not join the Town Mayor and be entertained by "Smartie Artie" who will be performing two shows.

You can have your face painted and have fun on a bouncy castle.
